Craftsmanship/ Understanding of art elements	Piece shows unity, creativity, understanding of art elements. Use of color family or shading	Piece shows some understanding of art elements	little attempt is made to communicate with visual elements... this may be a rough draft or first attempt.	
Neatness	All spaces are complete. Edges are attended to and stray marks are erased.	some stray marks or unattended to areas do not detract from the piece	cross-outs, white out, extra writing or symbols without purpose	
Plan	I planned my piece in my sketchbook and set achievable goals.	I planned my piece by sharing my idea 'out-loud.'	I did not plan.	
Connection	I made deeper connections to the theme by connecting to self, family, culture or art movement.	I followed instructions for the theme of the piece.	I did not connect to the theme and have a hard time determining purpose.	
Gallery 'talk'	I shared my art with a partner, group or with the class.	I shared my art but had a hard time explaining it.	I did not share my work.
